STUART YOUNG

Takes His Own Life At Louisville to Escape Disgrace.

Short In His Accounts As City Treasurer to the Amount of \$23,000.

Louisville, Ky., Nov. 28.—Stuart Robinson Young, former City Treasurer, former Assistant Postmaster of Louisville, clubman, and a bridegroom of but a few weeks, took his own life last night by shooting himself through the brain with a 38-caliber Smith & Wesson revolver. Mr. Young retired from office about ten days ago and an examination of the accounts has revealed a shortage of about \$23,000, though the exact amount has not been officially ascertained. Although friends stood ready to make good every dollar, he was not able to stand the threatened exposure. For several days he had been drinking rather heavily and was in no condition when the crisis was reached to endure the shame. In this mood he rashly ended his life before his friends had an opportunity to come to his assistance, although offers of help were made when the first rumors of trouble began to circulate.

Mr. Young was married last August to Miss Bessie Wymond and lived with his bride at the Louisville Hotel.

He was a son of Col. Bennett H. Young, was 34 years old and a graduate of Princeton College.

AFTER COAL

And When Detected Knocks Down L. & N. Brakeman.

Samuel L. Morgan, an L. & N. freight brakeman, was struck on the head with a rock or lump of coal by an unknown negro in the yards here at an early hour Tuesday morning and badly hurt. A gash several inches in length was cut and the loss of blood was considerable. Morgan claims the man was attempting to steal coal from his train when he came upon him, and that when he ordered him away the negro struck him. The negro made his escape.

While Morgan's injuries are very painful they are not considered serious.

Philip Datillo, who recently arrived here from California, and Mrs. Mary Datillo, of Sicily, were married at the home of Chas. Datillo, brother of the groom, last night. Father Hill performed the ceremony. The bride arrived in the city from Sicily Wednesday. She was the widow of the groom's uncle.

The couple will make their home here, where the groom is engaged in the fruit business with his brothers.

Country Couple Married Here By Dr. Nourse.

Mr. Otho McCord, of the Crofton neighborhood, and Miss Maud Clark, of Pon, were united in marriage in the city Wednesday afternoon.

The wedding took place at the residence of Dr. W. L. Nourse, the officiating minister.

The young people are quite popular in North Christian society.

The groom is a brother of Rev. Alex McCord.

Messrs. O. S. Parker, S. T. Fruit, F. H. Renshaw, J. R. Brame, Joe H. Williams, Alex Gilliland and C. A. Brasher have been appointed supervisors of taxes for Christian county for the year 1902.

STATE WEAKENS.

Nortonville Strikers Given Liberty Without Bonds and Back in Camp.

Soldiers Defied and Houses Being Erected For Hundreds of Agitators.

Madisonville, Ky., Nov. 28.—The examining trial of the twenty-one miners was called before County Judge Hall yesterday. The prisoners were all brought into court guarded by Deputy Sheriffs. Attorneys Cliff Wardell, J. Fleming Gordon and County Attorney Morrow appeared for the Commonwealth; Judge R. B. Bradley, Everett Jennings and Jerold Johnson represented the defendants.

Every man in the court room was searched for weapons by the Deputy Sheriffs.

After a conference between the attorneys of both sides which lasted some time, Judge Hall released the twenty-one prisoners on their personal recognizance to appear before the Circuit Court and answer to any charge that may have been found against them by the grand jury.

This proposition was made by the prosecution. The union officials and their attorneys look on this as a big victory.

The charge against the miners is confederating and banding together for the purpose of intimidating nonunion miners. Only the prisoners, attorneys, court officials and newspaper correspondents were admitted. A large crowd was in town, attracted by the trial, but for fear something might be done to cause trouble it was deemed best to refuse admittance to everyone except those interested.

The Strikers' Hotel.

Fifty men are now at work on a building at Nortonville that will accommodate five hundred union miners. The building will be erected on the site of the old campground which was disbanded Sunday. This ground, which consists of several acres, has been leased by the union strikers.

It is the intention of the union officials to build several more large houses at Nortonville. When completed these buildings will be occupied by all the union miners and their families in the strike district. President Wood said that by January 1 he expected to have three thousand people at Nortonville, and would make this place union headquarters.

Judge Hall's Course Unknown.

Judge Hall when seen this morning refused to say what action he will take against the union miners who have returned to Nortonville. He said he did not have time to discuss the question. It is known, however, that he has a personal representative at Nortonville investigating the situation. When this man reports Judge Hall will make known what action he will again call on the miners at Nortonville, whether camped in tents or in houses, to disperse, and should they fail to comply with his orders he will again call on Gen. Murray and his troops to disperse them.

The Murdered Miner.

The death of Burt Williams, the union miner, whose body was found lying near the track of the Illinois Central railroad not far from Nortonville, with a gunshot wound in his body, is still worrying the authorities. An inquest was held and the verdict of the jury was that the deceased came to his death from a gunshot inflicted by unknown parties.

Hand Badly Cut.

Mr. Thurmond Richards, a clerk for Shadoin & Curtis, fell from a bicycle Wednesday and one of his hands was quite badly cut. He was riding in the store when he lost control of the wheel and fell against a show case.

MRS. ADA LAYNE.

SHOT IN SIDE

By Her Sweetheart, But Wound is Not Serious.

Jealously Causes "Scrap" at Empire And Miner Uses Savage Rifle With Effect.

Jennie Campbell, col., was shot in the side by a colored coal miner named Couch, at Empire Monday night. The weapon used was a Savage rifle and the shot was fired at close range.

It seems that the parties had been sweethearts for some time, but the woman had recently been receiving the attentions of another.

This enraged Couch and he attacked her with the result as stated.

Couch fired two shots and then fled and had not been heard from up to noon yesterday.

It is believed that he is hiding in Hopkins county.

The ball made only a flesh wound and the woman is not thought to be seriously hurt.

BRAMBURG-KLEEMAN.

Marriage of a Young Nashville Doctor to Miss Kleeman.

Dr. Perry Bramburg, of Nashville, Tenn., and Miss Daisy D. Kleeman were married last evening, at the home of Mr. Henry M. Frankel, on South Main street. The ceremony was performed by Rabbi Lewenthal. It was a very quiet affair, on account of recent deaths in the family. The groom is a prominent young physician and a member of the faculty of the University of Tennessee.

His bride is a daughter of Mr. Wm. Kleeman, of Clarksville, and a sister of Mrs. Frankel, at whose home the marriage took place. The young couple left on the midnight train for Nashville.

QUIET MARKET.

But Little of The Weed Sold This Week.

County Full of Loose Buyers And Many Contracts Made-Clarksville Getting Slice.

Sales of the weed this week were small and were made up principally of lugs and common leaf. Prices were about the same as those of last week's quotations.

Receipts were also small. The loose market is inactive, owing to a lack of stock, but this line of the business will improve materially as soon as the weed begins to move.

The recent damp weather had the effect of bringing tobacco in moderate order, but the weed was so dry that it soon got beyond the point of handling again. A real good season is much desired by the farmers as they are nearly all anxious to put their crops upon the market.

Buyers are out in full blast all over the country and many crops over Christian County have been sold. Hopkinsville buyers have made many purchases in the county, while Clarksville dealers have also made some contracts in South Christian.

Prices being paid range from 5c to 7c round. Some farmers have been visited during the past week by a dozen buyers and all of their offers were rejected.

HANCOCK-MANN.

Trigg County Farmer Weds Lady in This City.

Mr. George B. Hancock, of Trigg county, and Mrs. Minnie J. Mann, of this city, were quietly married at the home of the bride at 6 o'clock on the morning of Wednesday, November 28.
